Guild of Location Managers

SPONSOR

Sponsorship of the Guild of Location Managers gives organisations and companies an opportunity to support the Guild and its members.

Sponsors receive the following benefits

- ★ Our website has a dedicated sponsor's page in which your company is featured with an active link to your own website.
- ★ The GLM holds quarterly meetings at which we welcome contributions from our industry partners. This gives your company an opportunity to introduce its services and announce any updates and developments to the members of the Guild.
- ★ Your company logo displayed on our banner at trade shows such as The Production Show, SILE, AFCI
- ★ An annual feature in the News or Location areas of our website
- ★ You are reaching your target audience of key location managers, our core membership.
- ★ You also have the option to display the GLM logo on your own stationery and website.

For GLM publications and the website, please supply a digital file (EPS, PDF or PNG, min of 1400 pixels) of your company logo. We also require text and images about your location or service that can be uploaded into your feature page on the website.

Thank you for applying to the GLM, we greatly appreciate your support.
