---

*Mick just can't get the staff these days...*

*GLM with our hosts at Eridge Park*

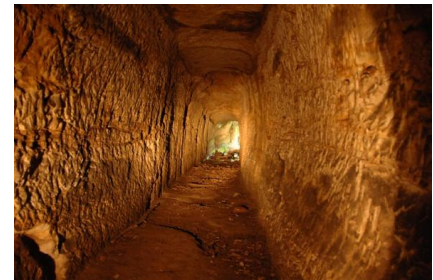

*Lovely Rikke and Brian*

*Formal gardens*

*Fabulous Spooky Caves*

### **Eridge Park**

Thanks to our generous hosts at Eridge Park, for an entertaining day out at their estate.

Extending to about 3000 acres this historic park has a vast unspoilt landscape with a huge variety of locations. We were able to see rolling countryside, lakes, ancient woodland, follies, a cricket pavilion, caves, rocks, formal gardens, hideaway summer house, a waterfall and more.

To see more pictures of the location please contact the GLM committee or Eridge Park; details below.
