Our Editor

Our thanks to The Crown Estate who manage Windsor Great Park for our detailed guided tour.

The park has a long history of filming and has played host to many major film and TV companies. Our knowledgeable guides showed us ancient woodland, lakes and ponds, village with post office and green, a polo field, tree lined avenues, waterfalls and a ford to name just a few locations.

Date May 2008

Hosted by **The Crown Estate with Nick Day, Phil Edwards, Graham Sanderson and Derick Stickler as our guides. The filming team – Catherine Corrigan and Gino Ciafa**
